COUNCIL COMMUNICATION

AGENDA TITLE: 1345 West Kettleman Lane (State Highway 12), at Access to the Municipal Service Center and Animal Shelter - "No Parking" Zone

MEETING DATE: December 18, 1991

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution approving the installation of a "no parking" zone on the north side of Kettleman Lane adjacent to the driveway access to the Municipal Service Center (MSC) and Animal Shelter as shown on the attached map.

BACKGROUND INFORMATION: The Engineering Division has received a request for the installation of a "no parking" zone on Kettleman Lane adjacent to the driveway access to the MSC and Animal Shelter. Trucks and other vehicles parking on Kettleman Lane adjacent to this driveway make it difficult for drivers to see approaching vehicles while exiting onto Kettleman Lane. Exiting is especially difficult for drivers of large trucks laden with equipment or towing supplies such as power poles.

Engineering staff has surveyed this location to determine truck parking and parking demand. The results of the survey indicate that, on several occasions, staff has observed trucks and other vehicles parking adjacent to this driveway. Overall parking demand in the area appears to be minimal. Available accident records, from 1988 to the present, indicate that there have been no accidents at this location.

In order to provide adequate sight distance for vehicles exiting from this driveway, staff recommends that Council approve the installation of 157 feet of "no parking" east of the driveway and 72 feet west of the driveway. The entire length of this "no parking" zone lies in front of City owned property.

Caltrans approval is required for this "no parking" zone after City Council approval.
